Hi Noel,

Re-sending this to you... The current amount is \$4,848.35.

Once again, we encourage you to pay an additional \$5,000 for upcoming mitigation work associated with construction.

Please pay the amount plus \$5,000 (total \$9,848.35) before you pick up permits for Lots 9 and 10.

Thanks

Subject: Mitigation Costs

Hi Noel,

Just want to follow up on the \$4,645.35 that needs to be paid to the County for Mitigation Monitoring since January 2017. It would be great to get the check before June 30 so we can post in the current fiscal year that invoices were paid for by the County.

Also, we encourage you to pay an additional \$5,000 for upcoming mitigation work associated with construction.

Thank you!
