The college has expanded its current **College for Working Adults** program to allow students with credits from an accredited institution to transfer into one of our current cohorts. **You may be able to graduate in as little as two semesters!** Here are our program highlights:

- ❖ Classes held only on Thursday evening and two Saturdays per month (9:00am-12:00pm) on our Redwood City campus.
- ❖ Students will receive priority enrollment in all College for Working Adult classes. **CWA classes are guaranteed...NO WAITLISTS...EVER!**
- ❖ Students will follow a predetermined set of classes eliminating guesswork about degree and transfer requirements.
- ❖ Now CWA students will earn one or all of the following three degrees:
 1. *Psychology*
 2. *Interdisciplinary Studies: Social and Behavioral Sciences*
 3. *Interdisciplinary Studies: Arts & Humanities*
 4. *Economics* (for those who plan to major in Business Administration)
- ❖ The 60+ credits earned in this program **fulfill all general education and transfer requirements** for most public and private colleges and universities.
- ❖ Students join a "learning community". They will start and complete the program with the same group of students. This provides students a deeper understanding of the courses' subject matter while they build relationships and learn together inside and outside of the classroom.
- ❖ Students receive one-on-one academic advising/counseling from our designated CWA counselor to ensure they get started on the right track and stay on track throughout the program.
