10.11.2018 Los Banos – Planning inspection requested.

11.08.2018 450 Marine, Moss Beach

ACTION ITEMS

12.13.2018 Licensed Architect required for Commercial and Mixed-Use projects.

California Architects Board sent a letter to all planning departments in the state reminding them of the requirement that all Commercial and Mixed-Use projects require a Licensed Professional and that in the interest of customer service they should be notifying applicants of this requirement.
