FYI, the Community Development Director has extended the comment period for the EIR Addendum by 30 days to 5pm on June 17, 2021.

Thanks

Dear Ms. Leung,

My name is Deirdre Murtagh. I'm a resident of the San Mateo Highlands at 1565 Seneca Lane . Regarding San Mateo County's letter dated May 3 with subject "Consideration of a proposed Minor Modification to an approved Resource Management (RM) Permit (PLN2006-00357) for the development of Lots 5, 6, 7, and 8 (BLD2016-00161 through BLD2016-00164), in the San Mateo Highlands Area", because of the significant impact this construction project will have to the hillside open space along Ticonderoga Drive, which includes a possible increased risk of a landslide in the area, I request that the County give Highlands residents an additional 45 days to review and respond to the 289-page project addendum document "Highland Estates Subdivision Project Addendum to the Highland Estates Final Environmental Impact Report SCH No. 2007052068" referenced in the 'minor modification' letter.

Thank you,

Deirdre Murtagh
